

Havahart® 1092

Easy Set®, Collapsible Stray Cat & Small Dog Cage Trap

Catch stray cats, small dogs and other animals with a Havahart® easy set, collapsible live animal cage trap.

American made Havahart® easy set, collapsible live animal cage traps are used by government and wildlife protection authorities, professional trappers, pest control companies, farmers, home owners and others throughout the world. The Havahart® brand has been recognized and trusted by consumers for long lasting, high quality animal cage traps for over 60 years!

How it Works

The Havahart® 1092 collapsible animal cage trap is made of sturdy metal with a spring loaded door that securely locks.

- Solid door and handle guard ensures consumer protection while transporting the animal.
- Space Saver design saves storage space and allows easy transport and handling.
- Collapsible, easy to store, easy to merchandise.
- Patented easy set® mechanism allows easy setting and release of the captured animal.

Specifications

The Havahart® 1092 easy set, collapsible live animal cage trap consists of galvanized wire mesh with steel reinforcements. It is designed to provide many years of reliable service and tested by professional trappers. The trap is easy to use, pops up in seconds and folds for space-saving storage.
